

# Zakir Ullah Shah

Certified Data Analyst

As a highly motivated and career oriented young professional with excellent academic background, I bring positive energy, creativity and an eye for detail to the table. Boasting an exemplary track record of achievements in academics as well as co-curricular activities, I enjoy cross functional engagements and team work. Has a flare for leading and mentoring. Currently I am enrolled in Coursera and KarachidotAI certified data Analyst/scientist practicing hands on projects. I am also learning and applying statistical analysis to several projects.
